

BUTTERFLY VALVE BOOTCAMP

Join Milwaukee Valve regional manager Jeff Kiefer as he provides an overview of the versatile **Butterfly Valve**. Jeff's presentation will cover the advantages of using this valve type and what makes the butterfly valve unique. The content from this educational webinar will benefit engineers and designers by providing an overview of the different designs and why the butterfly valve should be specified in various applications.

Join us on Tuesday, May 25th. The webinar will start at 1:00 (CDT) and run for 45-50 minutes, followed by a short Q&A session. Continuing Education Units (CEUs) are available from the American Society of Plumbing Engineers (ASPE). A link to the registration page can be found at the [Milwaukee Valve](#) website today or by clicking [HERE](#). Registration is required for Live or On-Demand attendance.
