

Gate & Globe Bootcamp Available *On-Demand*

On Tuesday, the Gate & Globe Valve Bootcamp webinar was conducted. Gates and Globes are two of the most common valves installed in commercial and industrial applications, and Regional Manager Mike Hodson covered their histories, uses and distinguishing differences for mechanical systems.

GATE & GLOBE VALVE BOOTCAMP

The webinar runs about 40 minutes, with a short Q&A session. Even if viewed *On Demand*, Continuing Education Units (CEUs) are available from the American Society of Plumbing Engineers (**ASPE**). A link to the registration page can be found at the [Milwaukee Valve](#) website today or by clicking [HERE](#). Registration is required for On-Demand attendance.
